### My school, my career

#### Full name of the school

- The high school of Information Technologies and financial services

#### Where it is and how to get there (exact location, means of transport to use, possibilities of parking, how you travel to school + time it takes you...)

- It's located in Pilsen, Klatovská 200G
- You can get here by tram, bus, car or by walk
- There is a public car park in front of the school
- I travel to school every day by train. It takes around 1 hour to get from my house to Pilsen and then I have to use public transport to get to school. I'm usually using bus or tram. It depends on delay of the train.

#### Where to find information about the school (official information, social media)

- Our school has social media like Facebook, Instagram of Tiktok, but also website infis.cz

#### Type of the school

- High School

#### Timetable (when the lessons start/ finish, breaks...)

- We start at 8 o'clock every day and finish sometimes at 13:10, sometimes at 2 o'clock, or sometimes at 16:05
